1. It is stated in the justification to the proposal that the crew working hours have been controlled successfully due to minimization of the over hour working of NZB and MBNR crew due to the temporary arrangement of the Porta cabin. The over hour working of NZB and MBNR crew. In this regard clarification is sought on the HOER v/s the present usage of the cabin/saving in hours during the temporary operation.
2. It is also stated that once the assistance from SC division is withdrawn in MLY-MBNR section the trains will be worked by HYB division crew only. What are the trains running in this section which will warrant staying of crew and thus dedicated permanent building structures and other items at MLY. Also the volume of traffic/no. of trains after completion of new line between DKC-KSN in SC-DHNE section of HYB divn. may be furnished.
3. The facilities available in a permanent running room as compared to the temporary arrangement may be given in detail.
4. On perusal of the subestimates it is observed that rate references have not been attached to the file.
